FEBRUARY NEWSLETTER 1985

FEBRUARY MONTHLY MEETING:

The February meeting will be held at Camp San Luis on Thursday, February 28th, at 6:00 p.m. Professor Elmo Keller will present a program featuring his statistics program.

THE GATE TO CAMP SAN LUIS WILL BE CLOSED AT 6:00 P.M. ON FEBRUARY 28, BUT DO NOT DISPAIR! If the gate is closed, you may dial the number "4887" in the gate opening box to pass through. If you forget 4887, the number is stenciled on the back of the gate.

DOS SIG MEETING:

Special thanks to Byron Smith for his presentation on "Columbia DOS" on February 7th. The DOS SIG meeting was well attended and appreciated. Not only did we have an opportunity to review internal and external DOS commands, we were able to compare one or more versions of MS-DOS and PC-DOS. Considering the amount of interest shown in this program, we will likely repeat the presentation at a future date.

MARCH MONTHLY MEETING:

The March monthly meeting may likely be held at Cal Poly on Thursday, March 28th. Details will follow.

EQUIPMENT SURVEY:

John Hancock has prepared a survey for you to list your computer, peripherals and software to share with other club members. Please return the survey to John.

See you on the 28th!
