March 2<sup>nd</sup> 2025 Program by Ralph Sutter

The First ZOOM Session will feature **Alan Raul** offering a Questions and Answers program from **12:45-2:00 p.m.** Usual topics include security issues, recent changes in Windows operating systems, tablets and smart phones. as well as demos of software and hardware. We always encourage questions and observations from the audience.

To be part of the virtual meeting via Zoom, please refer to the e-mail that will be sent to you twice shortly before the meeting with the credentials necessary to join the Zoom session. If you are asked for a Meeting ID or a Password, copy it from the announcement and paste it into the appropriate box.

There will be a break from 2:00-2:30 pm allowing the audience to sip a beverage, pet the dog or stretch.

The **Second Session** will follow the format in which everyone is invited to pose computer issues that they face and/or solutions to them. We will call this segment **Potpourri**.

Contact Ralph at [ralph@rsutter.com](mailto:ralph@rsutter.com) for more information.

### Club Information and Meeting Times

**SLO Bytes**, a PC Users Group dedicated to educating its members in the use of personal computers, digital devices and software, meets on the first Sunday of each month via **Zoom**. Zoom credentials are sent to members twice shortly before each meeting. If you are a SLO Bytes member and don't receive this e-mail, please contact [ralph@rsutter.com](mailto:ralph@rsutter.com).

All meetings are open to the public at no cost. A general interest and Q&A session occurs from 12:45 PM to 2:00 PM and guest speaker presentations begin at 2:30 PM. Contact **Ralph Sutter** ([ralph@rsutter.com](mailto:ralph@rsutter.com)) or visit [slobytes.org](http://slobytes.org) for additional information about SLO Bytes and the scheduled presentation. All ideas for speakers or presentation subjects are welcome.

**HardCopy** is a monthly publication of **SLO Bytes PC Users' Group** located in San Luis Obispo, California.

The purpose of this publication is to inform our members of meetings and provide information related to the use of PCs and various operating systems.
