April 6ᵗʰ 2025 Program *by Ralph Sutter*

The First ZOOM Session will feature **Alan Raul** offering a Questions and Answers program from **12:45-2:00 p.m.**
Usual topics include security issues, recent changes in Windows operating systems, tablets and smart phones.
as well as demos of software and hardware. We always encourage questions and observations from the audience.

To be part of the virtual meeting via Zoom, please refer to the e-mail that will be sent to you twice shortly before the
meeting with the credentials necessary to join the Zoom session. If you are asked for a Meeting ID or a Password, copy
it from the announcement and paste it into the appropriate box.
There will be a break from 2:00-2:30 pm allowing the audience to sip a beverage, pet the dog or stretch.

The **Second Session** will follow the format in which everyone is invited to pose computer issues that they face and/or solutions
to them. We will call this segment **Potpourri**.

Contact Ralph at ralph@rsutter.com for more information.

Photo Group Report *by Ralph Sutter*
Meeting of 03/16/2025
TOPIC: Photographer's Choice

Sadly, my dog Andy ate my Notes for the session and my memory couldn't recreate the presentations.

What follows is my effort to reconstruct the meeting from Zoom's AI Transcription

Ralph Sutter opened the meeting with a discussion of his latest toy, the Harvest Right Freeze Dryer.
Unlike dehydrators, freeze dryers remove water from food by sublimation in which H_2O passes directly from solid to gas without a liquid state.
Sutter shared images of freeze-dried tangerines, sourdough starter and eggs. He also showed egg rolls created with a **Sushi Bazooka**

Alan Raul, using his Leica Q3 camera, displayed beach shots mixed with scenes from the San Luis Obispo Masonic Temple, Pismo and Shell Beaches

Stanford Brown reached into his photo archives, offered travel photos of Lake Louise, a king's palace in Thailand
He also provided numerous images of his daily walks along the Salinas River in Paso Robles, fascinated by gnarly trees and photogenic animals.

John Waller also showed a preference for dea trees, mixed with eerie cloud formations and a Chinees Wedding.

Kaye Raul presented several of her photographs, discussing her editing process in Lightroom, including blurring backgrounds and converting images to black and white. T The group discussed the photos, commenting on subjects such as horses, bulls, trees, and landscapes, with some debate about the merits of color versus black and white images.

The topic for the April 13th 2025 meeting will be **Images of Spring**
Here are the meeting dates for 2025
  May 18 (May 11 is Mothers' Day)
  June 8
  July 13
  August 10
  September 14
  October 12
  November 9
  December 14

See the [Links page](#) for tutorials and other resources

Push Library
Look at the **PUSH archives**, http://www.slobytes.org/push/. This is a repository of articles where you will find tips, product reviews, and personal recommendations contributed by computer clubs across the country.
They are provided courtesy of the Association of Computer User Groups, **APCUG**, the national organization with which SLO Bytes is affiliated.
The actual **PUSH** articles are hyperlinked from the index located at
    http://www.slobytes.org/push/index.html (All articles on one long page)
    http://www.slobytes.org/push/push-condensed.html (Links to **PUSH** articles by month received)
You can view additional APCUG publications here: http://www.slobytes.org/apcug/index.html

SLO Bytes Bulletin Board
Everyone can read the SLO Bytes Bulletin Board at http://slobytes.org/smf/index.php?board=1.0 but only subscribers can post comments or respond to the posts of others. Despite the usual connotation of **subscribe**, it costs nothing to join the bulletin board. It is free to all current SLO Bytes members. However, to guard against cyber-mischief by spammers and other ne'er-do-wells, I have disabled self-registration. If you want to be added to the bulletin board, please send your request to me at ralph@rsutter.com.

If you are currently registered with the SLO Bytes Bulletin Board and wish to change your password, you will find a video screen capture of how to do so at
http://www.slobytes.org/documents/change-bb-password.mp4

Club Information and Meeting Times

SLO Bytes, a PC Users Group dedicated to educating its members in the use of personal computers, digital devices and software, meets on the first Sunday of each month via **Zoom**. Zoom credentials are sent to members twice shortly before each meeting. If you are a SLO Bytes member and don't receive this e-mail, please contact ralph@rsutter.com.

All meetings are open to the public at no cost. A general interest and Q&A session occurs from 12:45 PM to 2:00 PM and guest speaker presentations begin at 2:30 PM. Contact **Ralph Sutter** (ralph@rsutter.com) or visit slobytes.org for additional information about SLO Bytes and the scheduled presentation. All ideas for speakers or presentation subjects are welcome.

HardCopy is a monthly publication of **SLO Bytes PC Users' Group** located in San Luis Obispo, California.

The purpose of this publication is to inform our members of meetings and provide information related to the use of PCs and various operating systems.

▭▭▭▭▭▭▭▭▭▭▭▭▭▭▭▭▭▭▭

Outside Special Interest Groups (SIGs)
The Linux Group normally meets via Zoom at 6:30 PM on the first Thursday of the month.
View the web site at https://slolug.mailchimpsites.com/ Contact Alan@alanraul.com for credentials to join the Zoom Session.

The Photography Group normally meets via Zoom beginning at 2:00 PM on the second Sunday of each month. Contact ralph@rsutter.com for credentials to join the Zoom Session. Visit the website at www.slobytes.org/digital
