Alan Raul

ooooooooooooooooooooooooo

May 7ᵗʰ, 2023, Program *by Ralph Sutter*

The **First Session** will feature **Alan Raul** offering a Questions and Answers program from 12:45-2:00 p.m. Usual topics include security issues, recent changes in Windows operating systems, tablets and smart phones as well as demos of software and hardware.

We always encourage questions and observations from the audience. There will be a break from 2:00-2:30 pm allowing the audience to sip a beverage, pet the dog or stretch.

The **Second Session** will continue with the format begun recently. Speakers will be members of the SLO Bytes audience. Afterwards, everyone is invited to pose computer issues that they face and/or solutions to them. We will call this segment Potpourri.

View **Zoom** tutorials at https://www.youtube.com/playlist?list=PLKpRxBfeD1kEM_I1IId3N_Xl77fKDzSXe

If you have any questions, please contact ralph@rsutter.com

Photo Group Report *by Ralph Sutter*
Notes from the Meeting of 04/16/2023
TOPIC: Spring

Ralph Sutter opened the meeting, calling attention to the Links Page of the Photo Group website. There, Sutter posted the following links.

PetaPixel - The Photography Terms Glossary; https://petapixel.com/photography-terms-glossary/

Sony firmware update to the Sony A7IV;
https://www.sony.com/electronics/support/e-mount-body-ilce-7-series/ilce-7m4/software/00288929

Also; https://www.sony.com/electronics/support/e-mount-body-ilce-7-series/ilce-7m4/software/00280505

Updated camera manual for Sony A7IV; https://helpguide.sony.net/ilc/2110/v1/en/index.html

Link to download the Sony Creators' Cloud app; https://creatorscloud.sony.net/catalog/en-us/creatorsapp/index.html

Ralph continued, sharing images of local wildflowers found at Pismo Preserve as well as at his house.

Kaye Raul showed a spectacular image of Morro Rock shrouded by mist. Alas, she was unable to display additional images, victim of the fickleness of Zoom. After the meeting, she overcame Zoom's petulance and promises to offer the remaining images at the May meeting.

John Waller visited Walmart, showing the Spring clothing offerings. He then went outdoors to Pine Mountain for pictures of the snow melt and Lopez Lake.

Stanford Brown highlighted the transition from Winter to Spring. He offered many images of Turtles, Easter Bunnies, Wood Ducks, birds' nests, tall weeds and profuse blankets of wildflowers

The next meeting will take place on **May 21st 2023 beginning at 2:00 pm via Zoom.** This is one week later than usual in deference to Mothers' Day on **May 14 th** The topic will be **Lines**

The meeting schedule for the remainder of 2023 is as follows

    June 11
    July 9
    August 13
    September 10
    October 8
    November 12
    December 10

See the Links page for tutorials and other resources

Push Library
Look at the **PUSH archives**, http://www.slobytes.org/push/. This is a repository of articles where you will find tips, product reviews, and personal recommendations contributed by computer clubs across the country.
They are provided courtesy of the Association of Computer User Groups, **APCUG**, the national organization with which SLO Bytes is affiliated.
The actual **PUSH** articles are hyperlinked from the index located at
    http://www.slobytes.org/push/index.html (All articles on one long page)
    http://www.slobytes.org/push/push-condensed.html (Links to **PUSH** articles by month received)
You can view additional APCUG publications here: http://www.slobytes.org/apcug/index.html

SLO Bytes Bulletin Board
Everyone can read the SLO Bytes Bulletin Board at http://slobytes.org/smf/index.php?board=1.0 but only subscribers can post comments or respond to the posts of others. Despite the usual connotation of **subscribe**, it costs nothing to join the bulletin board. It is free to all current SLO Bytes members. However, to guard against cyber-mischief by spammers and other ne'er-do-wells, I have disabled self-registration. If you want to be added to the bulletin board, please send your request to me at ralph@rsutter.com.

If you are currently registered with the SLO Bytes Bulletin Board and wish to change your password, you will find a video screen capture of how to do so at
http://www.slobytes.org/documents/change-bb-password.mp4

Club Information and Meeting Times

SLO Bytes, a PC Users Group dedicated to educating its members in the use of personal computers, digital devices and software, meets on the first Sunday of each month via **Zoom**. Zoom credentials are sent to members twice shortly before each meeting. If you are a SLO Bytes member and don't receive this e-mail, please contact ralph@rsutter.com.

All meetings are open to the public at no cost. A general interest and Q&A session occurs from 12:45 PM to 2:00 PM and guest speaker presentations begin at 2:30 PM. Contact **Ralph Sutter** (ralph@rsutter.com) or visit slobytes.org for additional information about SLO Bytes and the scheduled presentation. All ideas for speakers or presentation subjects are welcome.

<div align="center">□□□□□□□□□□□□□□□□□□□□□□□</div>

Outside Special Interest Groups (SIGs)
The Linux Group normally meets via Zoom at 6:30 PM on the first Thursday of the month.
View the web site at www.slolug.com. Contact Alan@alanraul.com for credentials to join the Zoom Session.

The Photography Group normally meets via Zoom beginning at 2:00 PM on the second Sunday of each month. Contact ralph@rsutter.com for credentials to join the Zoom Session.
Visit the website at www.slobytes.org/digital
