November 2022

## October 2<sup>nd</sup> 2022 Notes *by Ralph Sutter*

SLO Bytes did not hold its usual **General Session** on this date. Instead, 17 members and guests met at **Blaze Pizza** in **Arroyo Grande** for a pizza party. Everybody ordered a pizza assembled to their specifications with SLO Bytes picking up the tab. **Alan Raul** took photos of the merriment and **Ralph Sutter** created a slideshow from those images. It is viewable on **YouTube** at <https://youtu.be/is1BRpgAzWo> Many commented that they appreciated the chance to meet in person after months of **Zoom** sessions.

There will be a break from 2:00-2:30 pm allowing the audience to sip a beverage, pet the dog or stretch

The **Second Session** will continue with the format begun recently. Speakers will be members of the SLO Bytes audience. Afterwards, everyone is invited to pose computer issues that they face and/or solutions to them. We will call this segment **Potpourri**.
