A publication of the San Luis Obispo PC Users' Group

Vol. 38 No. 12   December 2022

November 6th 2022 Notes *by Ralph Sutter*

SLO Bytes General Session – 11/06/2022

From SLO Bytes Bulletin Board; https://slobytes.org/smf/index.php?topic=775.0

Set up Windows 11 without a Microsoft Account

Alan Raul said: I found and tested another way to install Windows 11 without a Microsoft Account (MSA).

Disconnect from the internet and start the install process, once you are at the login section of the setup press...

Shift + F10   to open the command prompt and

Type**:   OOBE\BYPASSNRO**

Microsoft Outlook 365 Recover Recently Deleted E-mails

From inside **Outlook**, go to **Search** Window and type **Deleted**

See **Recover Items Recently Removed from This Folder**

Click on that name. That will open a file named **Recover Deleted Items**

Open it and search by name for the deleted e-mail that you want.

Tip: Sort the displayed files by **Name** or **Date** to find them more quickly

Click on the deleted file that you want to recover. That action will move it back to the folder from which it was deleted

How to Activate the Speech-to-Text Tool

You can activate speech-to-text from the Tools menu – it is the fourth menu item from the bottom. Or you can use the Ctrl+Shift+S (on Windows) or Command+Shift+S (on Mac) shortcut to activate it.

December 4ᵗʰ 2022 Program *by Ralph Sutter*

The **First ZOOM Session** will feature **Alan Raul** offering a Questions and Answers program from 12:45-2:00 p.m.
Usual topics include security issues, recent changes in Windows operating systems, tablets and smart phones
as well as demos of software and hardware. We always encourage questions and observations from the audience.

To be part of the virtual meeting via **Zoom**, please refer to the e-mail that will be sent to you twice shortly before the meeting with the credentials necessary to join the Zoom session. If you are asked for a **Meeting ID** or a **Password**, copy it from the announcement and paste it into the appropriate box

---

There will be a break from 2:00-2:30 pm allowing the audience to sip a beverage, pet the dog or stretch

The **Second Session** will continue with the format begun recently. Speakers will be members of the SLO Bytes audience.
Afterwards, everyone is invited to pose computer issues that they face and/or solutions to them. We will call this segment
Potpourri.

Contact Ralph at ralph@rsutter.com for more information

Photo Group Report *by Ralph Sutter*
Notes from the Meeting of 11/13/2022
The topic for the month of **November 2022** was **Images of the Fall.**
Ralph Sutter opened the meeting with photos of pumpkins, Autumn leaves and a campfire.

Alan Raul followed showing persimmons and changing leaves along the Bob Jones Trail, Avila, and the surrounding area.

Stanford Brown proceeded with the evolution of Fall colors. We saw persimmons, a Heron, acorns and leaves turning progressively more from green to many shades of brown.

Kaye Raul offered a video of changing leaves on trees and grape vines, backed by appropriate music.

John Waller, in addition to Fall colors, also shared sharp images from **the Santa Maria Air Show** with low flying P38s, c17s A 35s and a C130 fire suppression aircraft. He then visited a local winery with an impressive collection of steam-powered engines. John explained how he enhanced the image of a stunt plane flying in the mist through photo manipulation in **Adobe Lightroom**.

In the **Second Session**, Alan raved about the quality of the **B and H Photo Optic West Convention** in Monterey that he attended. Raul created a video of his experience quickly using an **iPhone 14 Pro Max and iMovie on a 2022 iPad Pro 12.9 inch**. View it at http://slolug.com/bb347652/

Additional information:
https://www.bhphotovideo.com/c/promotion/17247/optic-west.html
https://www.youtube.com/c/BandH/streams

Ralph touted the power of Davinci Resolve 18, a powerful free video editor. Sutter created a download link for the program and a detailed third-party tutorial. Links follow
Davinci Resolve 18
YouTube Video Tutorial for Davinci Resolve
This information also appears on the Links Page; https://www.slobytes.org/digital/links.html

Our final meeting of 2022 will take place on **December 11th beginning at 2:00pm.** The topic is **The Holidays**

SLO Bytes Bulletin Board
Everyone can read the SLO Bytes Bulletin Board at http://slobytes.org/smf/index.php?board=1.0 but only subscribers can post comments or respond to the posts of others. Despite the usual connotation of **subscribe**, it costs nothing to join the bulletin board. It is free to all current SLO Bytes members. However, to guard against cyber-mischief by spammers and other ne'er-do-wells, I have disabled self-registration. If you want to be added to the bulletin board, please send your request to me at ralph@rsutter.com.

If you are currently registered with the SLO Bytes Bulletin Board and wish to change your password, you will find a video screen capture of how to do so at
http://www.slobytes.org/documents/change-bb-password.mp4

Club Information and Meeting Times

SLO Bytes, a PC Users Group dedicated to educating its members in the use of personal computers, digital devices and software, meets on the first Sunday of each month via **Zoom**. Zoom credentials are sent to members twice shortly before each meeting. If you are a SLO Bytes member and don't receive this e-mail, please contact ralph@rsutter.com.

All meetings are open to the public at no cost. A general interest and Q&A session occurs from 12:45 PM to 2:00 PM and guest speaker presentations begin at 2:30 PM. Contact **Ralph Sutter** (ralph@rsutter.com) or visit slobytes.org for additional information about SLO Bytes and the scheduled presentation. All ideas for speakers or presentation subjects are welcome.

HardCopy is a monthly publication of **SLO Bytes PC Users' Group** located in San Luis Obispo, California. Information in this newsletter is derived from both our own membership and other PC user group newsletters.

The purpose of this publication is to inform our members of meetings and provide information related to the use of PCs and various operating systems.
Membership dues are $25 per year. Membership entitles you to our monthly newsletter via e-mail, technical assistance comradeship and a voice in the affairs of the club.
